

LAKES GRAMMAR
AN ANGLICAN SCHOOL

Junior School **COGNITO 2023**

Building Better Futures

The Lakes Grammar Cognito program is a key element of our commitment to 'building better futures' for our junior school students. The Cognito program provides students with an opportunity to extend and enrich their learning in areas of particular interest or passion, to apply their learning in different contexts and engage in authentic learning experiences.

The Cognito program is open to all students, and we encourage everyone to find a program that appeals to them. It might be something new, or an area that your child is already passionate about. The program runs external to our curriculum programs and classes and is a wonderful opportunity for students to build new relationships with others that share their same areas of interest. Some of the activities have limited numbers.

The Cognito program is designed to educate and enable young people to flourish and achieve their aspirations in life. Whether your child challenges themselves to join the chess club, the choir, or the Play-Doh club, they will find themselves immersed in a world of excitement and challenge.

I encourage every student to participate in at least one (and hopefully more) Cognito activity.

Mrs Deborah Clancy
Principal

CHESS CLUB

Direct application: Mrs Cliff
Venue: Room 21
Time: Tuesday lunch
Cost: Nil

Contact for further information:
gillian.cliff@lakes.nsw.edu.au

ENVIRONMENTAL CLUB

Direct application: Mrs O'Donnell
Venue: Room 5
Time: TBC
Year groups: K-6
Cost: Nil

Contact for further information:
april.odonnell@lakes.nsw.edu.au
