

Marrow & Co. Butcher's Reserve Weekly Meat Raffle

Terms and Conditions

1. Marrow & Co. Butcher's Reserve Weekly Meat Raffle will run from Friday 3 July 2026, followed by weekly draws every Friday on 10, 17, 24, and 31 July 2026.
2. Guests will receive one (1) entry for every steak purchased, while Bankstown Sports Club members will receive double entries per steak purchase on Fridays between 12:00pm – 3:00pm and 5:30pm – end of dinner service.
3. All entries are valid for the corresponding week's raffle draw only.
4. Entries will be issued as a physical voucher, must include valid contact details, and must be placed into the official raffle container located at the front of the venue.
5. A total of three (3) winners will be drawn each week at end of dinner service. Winners will be contacted directly by the venue manager.
6. The three (3) prizes consist of a dining experience, with the following meats served with choice of sauce offered on a complimentary basis:
 - a) **1st:** 1x MBS9+ 2GR Full Blood Wagyu Tomahawk (*approx. 1.7kg, valued at \$500, serves 4*)
 - b) **2nd:** 2x MBS 5–6 Westholme Bone-in Rib Eye steaks (*approx. 550g each, valued at \$300 total, serves 4*)
 - c) **3rd:** 1x MBS 4–5 Heritage T-Bone (*approx. 800g, valued at \$190, serves 2*).
7. The total value of prize pool across the five (5) weekly draws is \$4,950.
8. The dining experience voucher is valid for dine-in only and must be redeemed within two (2) months of the issue date.
 - a) Booking must be made no less than 48 hours prior to dining. A note will be applied to the booking to confirm redemption of the Meat Raffle prize.
 - b) Any additional food or beverage ordered beyond the prize inclusions will be at the guests' expense.
9. Winners do not need to be present at the time of the draw and will be contacted using the details provided in their entry. No redraws will take place.
10. Prizes are not transferable, exchangeable, or redeemable for cash.
11. Management reserves the right to verify the validity of entries and amend these terms and conditions where required.
