

Pricelist March 2026

MOTUS
transport
RECEIVING / DISPATCH

Summary

- Thank you for choosing Motus Transport
- This information pack includes a summary of the March 2026 pricing update and is effective for all customers on 23/03/2026 (except for those on an existing contract)
- All prices exclude GST, and all transport rates exclude a variable fuel levy
- There is a \$200 minimum spend per week on all invoices
- The standard Motus Terms and Conditions (refer attached) still apply
- Our business grows with yours, if you have any questions on this update (including how we can provide greater value to your business) please reach out to our management
- Our preference is to update our pricing for all customers annually in March, however when macroeconomic factors beyond our control occur we reserve the right for out of cycle increases
