

SEMIH 61 TRACK WITH CHAMPAGNE REFLECTOR

SEMIH 61 TRACK WITH LENS

SEMIH 61

Design — Jeffrey Huyghe

Semih 61's application on our 230V track rail is ideal for residential and hospitality settings and small boutiques, where flexible and subtle lighting is suitable. Play with the small but powerful luminaires to create accents on special items or corners, and adapt the light's position as you please. Ceiling versions can easily complete the overall expression with clean and easy execution, thanks to powerful magnetic plates in the ceiling.
