NUDE

Design — Joël Claisse

Nude's pure geometrical lines are ideal for highlighting architectural features. Nude is stripped down to the essence of a luminaire. Its light source is recessed in the slender cylinder so much that it is practically invisible.

This wall luminaire is available as downlight, or with both up and downlight.

Dress up Nude with colours

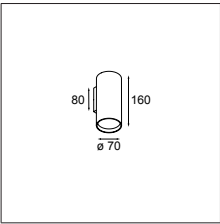

With an extended range of brushed aluminium colours, Nude will be a lovely colourful-yet-minimalist companion to any of our families with matching colours, like Shellby, Thimble, Minude or Placebo. Enjoy our extra choices of anodised black, bronze, silver bronze and champagne.
