

K

Our iconic K family set the foundation for many architectural downlighters. The classic, beautiful brightness of this spotlight portfolio makes K an ideal candidate for residential, retail and hospitality environments.

Decorative simplicity

Every project needs a basic spotlight for general lighting. K is our suggestion for those who like to keep things simple. Available in different diameters, a flat or sloping edge and in white structure, black structure or donkey grey structure, K integrates easily into any room. Choose the directional model for a greater interplay of light. Available with halogen and LED.

Combining contradictions

Bring an extra touch of fun to a K family picnic. Create an installation of 2x, 3x, or 4x recessed K72 downlighters combined with playful Pupils sticking out of the ceiling. By pairing Pupil with spots, you can create a new fixture with both fixed and adjustable light sources and illuminate special places in high-end residences, hospitality environments and small boutiques
