

MINUDE

With our miniaturized spotlight, you'll simply need our Pista track rail system for your endless choices. Minude as a 48V track spot, or Minude as an intimate 48V suspended track spot. And a trail of Minudes on single and multiple rails, anywhere along the way. Also available in a semi-recessed application for walls and ceilings, and as a stand-alone pendant or combined with our Kompas ceiling base.

Minude for Modupoint LED

If you love Minude, and are open to something other than a track, check out Minude for Modupoint LED. A plug & play version for our redesigned Modupoint ceiling base, Minude can be clicked-in directly into the base, or extended with extender sticks, or even as a suspended variant.
