SHELLBY ALABASTER RECESSED 184 1X IP55 LED 1800-3000K WD DE

Shellby's light is the Sun by day, and the Moon by night. Like the Sun, it brings powerful, general light that indisputably brightens your space, and energises you for daily activities. Like the Moon, it watches, with softer light that inspires calm and warmth. A clash of functions, all in one.
