

Surface Mounted Light D2835

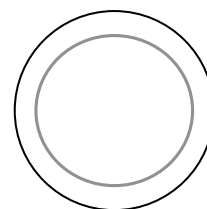

BoscoLighting's Surface Mounted LED Light is perfect for projects where recessed lights are not possible. You can easily install them to surfaces such as brick or concrete where traditionally an oyster light fitting would be required.

The 120° beam angle provides an even light dispersion. Bright and comfortable, it features amazing illumination with minimal power consumption. Perfect for general lighting in waiting areas or other interior spaces.

Optional:

18W in fitting size of D225*H40

24W in fitting size of D300*H40
