

BoscoLighting's 'WE100' Track Light is designed for spot, task and general lighting in retail and commercial applications.

Twist and click, the WE100 standard version is designed to be quickly installed in Australian Standard Tracks of 2, 3 or 4 wires (Single or Multiple Circuits). The DALI version is perfectly suitable for your DALI track systems.

Available in a range of power levels, this product is great for areas with a changing utility or where flexibility is desirable such as retail stores, shopping centres and art galleries as quick changes can be made without rewiring.

## Track Light WE100
