

BoscoLighting's QUARTZ Downlight is an adjustable downlight solution with a translucent acrylic fascia, providing an anti-glare feature and unique aesthetic finish. Even when not in use the beautiful appearance of fascia on the ceiling creates a refined vision.

Combining unique aesthetics design with state-of-the-art technology, it allows you to adjust the light of approx 25 degree. Perfect for high-end retail display spaces, offices, galleries or jewellery stores. This is definitely a product that adds value to your or your client latest project.
