

Good Afternoon,

The Prime Minister today announced new measures to control transmission of COVID-19 and these have a direct effect on clubs, including; **Bankstown Sports, Bankstown Sports Bowls, Auburn Tennis Club, Birrong Sports, The Acres Club & Baulkham Hills Sports.**

The new measures include restrictions on all indoor gatherings to 100 persons per area and 500 per outdoor area.

We take these restrictions very seriously and will be ensuring we are compliant, whilst also implementing social distancing precautions.

Separation of areas such as restaurants, gaming and events areas – **means that ALL our venues will be open.**

Respecting the current situation and the restrictions applied, we are still opening our doors to the community, in an effort to sustain employment for our 650 local employees across the group.

However, please appreciate that with limited capacities, zoning and limited staff – some changes in our offering will occur, including;

- Reduced trading days/hours in some of our restaurants – see websites for the latest information – including updated menus
- Cancellations of selected ticketed events including Theatre shows and school holiday activities. *Customers have been notified and refunds will be issued to all ticket holders.*
- The postponing of selected promotions, including member promotions and gaming promotions. All advertised prizes will be honoured when promotions are re-instated
- Cancellation of selected weekly activities at many of our venues, including but not limited to Trivia, Bingo, Raffles and Cash Housie

We will continue to monitor the situation and respect all changes and guidelines issued by official government bodies.

Thank you for your ongoing support. Together, we can make a difference.

Mark Condi – CEO
