Cosmopolitan

Get 'Carrie-d' away, with the classic cosmopolitan. Pairing Vodka with Cointreau Triple Sec, cranberry and lime juice, the only thing sour about this drink is the taste.

Classic Mojito

The ultimate meeting of lime and mint. Made up of Bacardi White Rum, fresh mint, squeezed lime juice, and topped with lemonade. It's the perfect refresher for any day.

Summer Sangria

A concoction of Chateau Brandy, Joseph Cartron Lychee Liqueur, topped with Bombshell Moscato, blended with the summer's freshest fruit & a hint of thyme.

Espresso Martini

A recipe 'borrowed' from the coffee houses of Melbourne. With a shot of fresh 100% Arabica Coffee, Kahlúa Coffee Liqueur and a hit of Vodka, it's what all your friends will be talking about.

Apple Pie

Fireball Cinnamon Whisky and 5 Seeds Crisp Apple Cider are laced with juicy apple wedges before being covered in a swirl of whipped cream and dusted with biscuit pieces. It's a sweet 'Apple Pie' just like Mum used to make.

Miku Melon

With a colour scheme reminiscent of the streets of Shinjuku, the Miku Melon brings the taste of Japan to Baulkham Hills. Midori Melon Liqueur and Cointreau Triple Sec are mixed with lemonade then topped with a splash of Alizé Bleu Liqueur.
