

SELF SERVICE

COMBO

The COMBO is a unique through-the-wall change and pay-in facility, specially designed for business customers.

While taking up minimal floor space, this solution combines the exchange of high denomination banknotes into rolled and loose coin, and the acceptance of high-value business deposits in tamper-evident barcoded bags.

By deploying this solution bank branches will be able to offer business customers a complete, fast solution 24/7, while releasing staff from time-consuming cash handling operations.

Features

- Designed with Disability Act and OHS in mind
- SVGA 15" LCD with touch screen and simple user interface for ease of use
- Reliable technology ensures excellent availability and a low total cost of ownership
- On board monitoring system continuously verifies live operational status and flags issues in real-time, minimising downtime by allowing for immediate action
- Capable of dispensing up to eight denominations of rolled coins, as well as 3 banknote denomination in a single transaction, depending on customers selection
- 6 rolled coin silos + 2 loose coins hoppers
- MEI 4-way acceptor + 1000 banknotes cassette
- Secure deposit chute accepts bags up to 330x260x70mm
