

NOTE VALIDATION

DORS60

With its double UV-light bulbs and large casing, the DORS60 is more convenient for customers who need more room for checking large-size documents or simply, for allowing multiple users to use at once.

The DORS60 immediately spots counterfeits by highlighting the presence of luminescence in the background, UV marks, fibers, and fragments of the images.

Features

- Plug and play installation
- Instantly detects counterfeit notes
- Mountable to wall and fairly compact, it can be placed anywhere around a cashier desk
- Temperature protected to prevent overheating (OHSS)
- Extremely affordable, comes with a one-year return to base warranty

Dimensions (in mm): 128 (H) x 190 (W) x 101 (D)

Weight: 0.4Kg
